**ORDER OF DISMISSAL OF DEFENDANT VERVANTE CORPORATION**

Plaintiff, Innovative Automation LLC (“Innovative Automation” and/or “Plaintiff”), and Defendant, Vervante Corporation (“Vervante” and/or “Defendant”), have settled all of the claims asserted in this patent infringement litigation against Defendant by Plaintiff. Plaintiff and Defendant (collectively the “Parties”) request that all claims against Defendant in this litigation be dismissed with prejudice. The Court, having considered the request of the Parties, is of the opinion that the request for dismissal should be GRANTED.

The Court ORDERS that any and all claims that have been brought or could have been brought by Plaintiff against Defendant relating to infringement of U.S. Patent Nos. 7,174,362 and 7,392,283, or any other patent on or before the date the Order of Dismissal of Defendant Vervante Corporation is signed by the Court are fully resolved and hereby dismissed with prejudice.

The Court FURTHER ORDERS that Plaintiff and Defendant will bear their own attorneys’ fees, legal expenses, and costs of court, if any, incurred in connection with this litigation.

The Court FURTHER ORDERS that this Court retains jurisdiction over Plaintiff and Defendant and the Settlement Agreement executed by Plaintiff and Defendant for purposes of resolving any dispute that may arise thereunder.

**So ORDERED and SIGNED this 18th day of October, 2012.**

A handwritten signature in black ink, appearing to read 'Leonard Davis', written over a horizontal line.
